LIFE GOES ON WITH GROUP CONVERSION

Your group life insurance has been valuable protection for you and your family. Now that it will be terminated, you may wish to convert this important coverage to an individual policy. This information has been prepared to help you take advantage of your right to continue your protection.

ABOUT LIFE CONVERSION COVERAGE

Life Conversion Coverage is individual permanent life insurance issued without evidence of insurability.

Life Conversion Coverage can be obtained when your life insurance under the group policy ends. Your group certificate will describe when conversion coverage is available to you, and will show the amount of coverage you can convert.

Conversion coverage will be issued without evidence of good health, provided:

- (a) you complete the attached application,
- (b) you enclose a check or money order for the first premium payment and
- (c) these items are forwarded to us within 31 days after your group insurance ends.

Your conversion policy will be effective on the 31st day after your group insurance ends. During this 31-day period, you remain covered under the continued coverage provision of your group certificate.

You may apply for an amount that is not more than the amount of your current group insurance coverage (this is your maximum). You may elect coverage in \$1,000 increments up to your maximum.

The individual policy is Whole Life Express Insurance, which provides a level benefit throughout your lifetime. Premiums for this coverage are payable while living until the policy anniversary following age 100.

Premium rates are shown in the table that follows. If premium payments are discontinued, you may:

- (a) receive any existing cash value or
- (b) use the cash value to purchase extended term insurance or a reduced amount of paid-up life insurance.

For additional information or premium rates on conversion coverage, please write or call us at:

CALCULATING THE PREMIUM

The premium amounts in the table below are per \$1,000 of coverage. Calculate your annual and/or semiannual premium in the calculation worksheet, following the steps and example below.

To calculate annual and semiannual premium:

- 1) Divide your desired death benefit amount by 1,000.
- 2) Locate your age group and gender on the table below to identify the premium rate per thousand.
- 3) Multiply #1 by #2 above.
- 4) Add \$36 for the annual policy fee to obtain the **annual premium** for the coverage.
- 5) Multiply the annual premium by .52 to obtain the **semiannual premium** for the coverage.
